

Saturday 4/18/26

NFGA Members Only XTC Practice

Will Switch to Sunday 4/19 if Raining Saturday

Watch >> <https://nfga.org/club-calendar/>

Fee: \$5 (Please bring exact change)

Contact: George Smith GSmith223@comcast.net

This will be an informal / general practice for the experienced regulars that typically shoot the NFGA NRA XTC 80 rd. matches.

The Shotmarker Electronic targets will be used

Please be at the 200-yard line between 9:00 – 9:30am latest to squad
We'll set up targets for the # of shooters and start shooting around 10am

We will start at 200 and likely spend the majority of the time there.
Once we all have our fill of shaking off the rust at 200 in offhand, sitting and even prone if they like we will then go to 300 for some 300 rapid strings if desired and then to 600 if desired.
