

Nashua Fish & Game Association
New Member Acceptance and Work Hour Credit Policy

- Members have an opportunity to refer new members for consideration of acceptance to the Nashua Fish and Game Association [NF&GA]
- Should a perspective member meet the conditions for membership and is admitted as a member to NF&GA, the referring member shall receive a work hour credit of three (3) hours
- Should a second such referral be accepted, the referring member shall receive an additional credit of three (3) hours
- In no event, shall the annual credit exceed six (6) work hour credits
- In no event, shall work hour credits accrue to the next annual membership year
- For purposes of this policy, the *annual membership year* is defined as the period of fifty two (52) weeks beginning with each February general membership meeting
